Fire, Building & Life Safety Division				
DUCT DETECTORS- INSTALLATION AND MAINTENANCE		PAGE	1 of 1	Revised: 11/7/2005
Category: Construction/Plan Review	Code Reference: 2006 IFC section 907.12			

NOTE: THIS POLICY IS ALSO IN THE PLAN REVIEW SECTION

PURPOSE

The purpose of the regulation is to address approved duct detector alarm signals and future tenant improvement requiring installation of additional duct detectors.

REGULATION

Upon activation, duct detectors shall report "SUPERVISORY".
